Atriafloor Primer

PITTURA DI FONDO

Pittura di fondo facile applicazione anticarbonatazione, di uso universale ad alto potere adesivo. Composto epossidico bicomponente ad acqua.

Easy-to-apply anti-carbonation undercoat, universal use with high adhesive power. Two-component water-based epoxy compound.

	resa teorica	*confezioni*
	resa: 100 – 150 gr/mq in una mano secondo supporto	**Kg. 1** **Kg. 5**
